About us

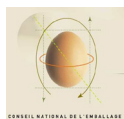

Junior ISIT is the Junior Enterprise of the leading French school for cross-cultural management, communication and translation (ISIT) and the only one of its kind with **translation as its core programme**. Junior ISIT is a non-profit, educationally oriented organisation run by 31 dedicated and resourceful students.

With **eight Project Managers** and **over a hundred handpicked consultants** (translators, interpreters, communication and marketing specialists) at your service, our linguistic and cross-cultural expertise will fulfill your every need.

Your project in 5 steps:
